1....Turning your **rage into a social conscience. Elaine Lehman**
Innocent people, falsely accused of child abuse, are suddenly filled with a kind of rage and fear they never felt before. Humans store these negative emotions in the subconscious, and they are dangerous to the future physical, emotional and psychological health. This article is a clear explanation of how to handle this stored rage. It contains an explanation of Bob and Elaine Lehman's highly successful BE AngerTherapy®. It also explains how developing a social conscience is another positive and constructive form of anger therapy.

4....Turning tragedy into triumph! Larry Ward
Larry Ward has found his own social conscience because of false allegations made against him. (The allegations against Larry were dismissed when he testified at his own grand jury hearing.) This article clearly explains how he discovered that God wants him to work to help others who are falsely accused of child sex abuse.
